## Acquisition of Finishing Businesses

- On April 2, 2012, the Company completed the purchase of the finishing businesses of Illinois Tool Works Inc. The acquisition includes Powder Finishing and Liquid Finishing equipment operations, technologies and brands. Results of the Powder Finishing business have been included in the Industrial segment since the date of acquisition
- The Federal Trade Commission (FTC) issued a Hold Separate Order for Graco to hold the Liquid Finishing assets separate and in compliance with the FTC order, the Liquid Finishing businesses are run independently by existing management under the supervision of a trustee who reports directly to the FTC
- The FTC issued a proposed decision and order (the "Decision and Order"), which requires Graco to sell the Liquid Finishing business assets, no later than 180 days from the date the order becomes final. The FTC has not yet issued its final Decision and Order
- Liquid Finishing businesses held separate from Graco are reflected as a cost-method investment, and its financial results have not been consolidated with those of the Company
- Income is recognized based on dividends from current earnings, $\$ 4$ million (post-tax) received in each of Q2 and Q3

## Other Discussion Items

- Divestiture costs expected to run \$2-3 million per quarter going forward, with a higher level of expense anticipated in the quarter the sale closes. Total future costs of the divestiture expected to be approximately $\$ 10$ million, though the final amount may be affected by the sales and regulatory review processes
- Interest expense is expected to be $\$ 5$ million in the fourth quarter
- Tax rate for fourth quarter and the year expected to be approximately 32-33\% (assumes $\$ 4$ million (post-tax) in dividends per quarter from the Liquid Finishing business)
- Annual pension expense (excluding Powder) is expected to be approximately $\$ 7$ million higher in 2012
- Voluntary contribution of $\$ 10$ million made to U.S. funded pension plan in Q3
- Capital expenditures expected to be $\$ 20$ million in 2012
