

Graco Launches Disinfectant Sprayer Lineup

July 8, 2020

High-production equipment for spraying sanitizers, disinfectants and deodorizers faster

MINNEAPOLIS--(BUSINESS WIRE)--Jul. 8, 2020-- Graco Inc. (NYSE:GGG), a leading manufacturer of fluid handling equipment, is proud to introduce the new line of SaniSpray HP™ airless sprayers. SaniSpray HP sprayers are uniquely built with high-grade materials that are compatible with List-N disinfectants – the specific types of disinfectants that meet the United States Environmental Protection Agency’s criteria for use against SARS-CoV-2, the novel coronavirus that causes COVID-19.

During these unprecedented times, it is clear front line workers need a faster way to disinfect, sanitize and deodorize spaces. Graco has responded by engaging its industry-leading engineering resources to expedite the development of a full line of completely new, breakthrough solutions to meet this growing need.

SaniSpray HP sprayers deliver a new level of productivity for the disinfection, sanitation and deodorizing of any space. Using the power of airless spraying, SaniSpray HP sprayers deliver consistent thickness and coverage from edge to edge to meet chemical dwell time requirements of List-N disinfectants across a wide variety of surfaces.

“As businesses begin to reopen, the demand for disinfection will continue to dramatically increase. Front line workers need high-production tools to reliably disinfect quickly. That’s why we invented

A Sprayer for Every Job (Photo: Graco Inc.)

SaniSpray HP – a full line of equipment specifically designed to meet front line disinfection needs and to do our part assisting in the fight to end this pandemic,” said Dan Johnson, Global Total Markets Manager at Graco.

SaniSpray HP sprayers provide the flexibility to improve efficiencies on every job requiring the use of disinfectant materials. Cleaning professionals can achieve ideal particle atomization and consistent dwell times on every surface sprayed with the variable pressure settings and variety of tips included with every sprayer.

This complete line of disinfectant sprayers includes multiple sprayers to tackle any disinfecting job. From the ultimate portability of handheld sprayers to large, eight-gun sprayers for maximum productivity, Graco SaniSpray HP solutions include innovative, patented technologies to deliver the speed and highest productivity on every cleaning job, small or large – from small jobs to large stadiums.
