

Graco Publishes Environmental, Social and Governance (ESG) Report

December 7, 2023

MINNEAPOLIS--(BUSINESS WIRE)--Dec. 7, 2023-- Graco Inc. (**NYSE:GGG**), a leading manufacturer of fluid handling equipment, released today its 2022 environmental, social and governance (ESG) report. This report provides not only an update to the inaugural 2021 report, but now also includes the Sustainability Accounting Standards Board (SASB) index for Industrial Machinery and Goods, as well as global energy and emissions data.

"Our 2022 report builds upon the data shared in last year's report, which we believe provides additional useful information for our shareholders," said Mark Sheahan, president and chief executive officer.

A copy of the ESG report can be found on the Company's website [here](#).

ABOUT GRACO

Graco Inc. supplies technology and expertise for the management of fluids and coatings in both industrial and commercial applications. It designs, manufactures and markets systems and equipment to move, measure, control, dispense and spray fluid and powder materials. A recognized leader in its specialties, Minneapolis-based Graco serves customers around the world in the manufacturing, processing, construction and maintenance industries.
