

## Graco Details Global Growth, Innovation and Safety Progress in Latest ESG Report

November 10, 2025

*Strategic alignment drives focused growth and improvements across operations and product development*

MINNEAPOLIS--(BUSINESS WIRE)--Nov. 10, 2025-- Graco Inc. (NYSE:GGG), a leading manufacturer in fluid handling equipment, released its annual [environmental, social and governance \(ESG\) report](#). The report provides information about the company's strategic acquisitions, facility investments and emphasis on safety.

"Our strengthened focus on global strategic alignment is positioning us for long-term, sustainable growth," said Mark Sheahan, president and CEO. "This global model also accelerates innovation and enables us to deliver products that help our customers reduce material waste, improve efficiency and support cleaner technologies."

Other highlights from the 2024 ESG Report include:

- Opening of facilities that represent modern manufacturing and reduced environmental footprint
- Appointing a global environmental, health and safety leader to align global safety policy
- Acquisition of Corob S.p.A., a global leader in tinting, mixing and dispensing systems
