

Graco Inc. Acquires Radia Products, a Leading Manufacturer of Paint Mixing Equipment

November 17, 2025

Acquisition complements Graco's position in the growing color solutions market

MINNEAPOLIS--(BUSINESS WIRE)--Nov. 17, 2025-- Graco Inc. (NYSE:GGG) announced today that it has acquired Red Devil Equipment Company, known in the market as Radia, in a transaction valued at \$69 million. With annual revenue of more than \$30 million, Radia is a manufacturer of mixing, shaking, and automated material handling equipment for the growing paint and coatings industry.

"Radia brings complementary capabilities to Graco's Contractor business portfolio, enhancing our position in the color solutions space," said Mark Sheahan, Graco's President and CEO. "Our acquisition of Corob last year expanded our precision tinting and dispensing capabilities, while Radia strengthens our portfolio with advanced mixing and material handling equipment—creating a more complete solution for our customers."

Radia serves paint retailers across North America – including hardware, paint, and big-box stores – with its reliable, automated mixing solutions. Headquartered in Plymouth, Minnesota, Radia employs approximately 30 people worldwide.

About Graco

Graco Inc. supplies technology and expertise for the management of fluids and powders in both industrial and commercial applications. It designs, manufactures and markets systems and equipment to move, measure, control, dispense and spray fluid materials. A recognized leader in its specialties, Minneapolis-based Graco serves customers around the world in the manufacturing, processing, and construction and maintenance industries.
