Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Karen P. Gallivan, Vice President, General Counsel and Secretary of the Company, has given her opinion about certain legal matters affecting the shares of the Company’s Common Stock registered under this Registration Statement. Ms. Gallivan is eligible to participate in the Graco Inc. 2010 Stock Incentive Plan and, as of June 10, 2010, she is the beneficial owner of 96,125 shares of the Company’s Common Stock.

She disclaims beneficial ownership of such shares.

Item 6. Indemnification of Directors and Officers.

Section 302A.521 of the Minnesota Business Corporation Act provides that a company shall, subject to certain limitations, indemnify officers and directors made or threatened to be made a party to a proceeding by reason of that officer or director's former or present official capacity with the company. As required, the Company will indemnify that person against judgments, penalties, fines, settlements and reasonable expenses if the officer or director:

- has not been indemnified by another organization;
- acted in good faith;
- has not received an improper personal benefit and Section 302A.255 regarding director conflicts of interests, if applicable, has been satisfied;
- assuming the case is a criminal proceeding, the person had no reasonable cause to believe the conduct was unlawful; and
- reasonably believed that the conduct was in the best interests of the company or, in the case of an officer or director who is or was serving at the request of the company as a director, officer, partner, trustee, employee or agent of another organization or employee benefit plan, reasonably believed that the conduct was not opposed to the best interests of the company.

Article 7 of the Company's Restated Articles of Incorporation, as amended to date, provides that no director of the Company shall be personally liable to Graco or its shareholders for monetary damages for breach of fiduciary duty by such director as a director, provided, however, that the liability of the director shall not be eliminated or limited (i) for breach of the director's duty of loyalty to the corporation or its shareholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law, (iii) under Section 302A.559 of the Minnesota Business Corporation Act or Section 80A.23 of the Minnesota Securities Law or (iv) for any transactions from which the director derived an improper personal benefit. Article 7 further provides that no amendment to or repeal of the Article shall apply to or have any effect on the liability or alleged liability of any director for or with respect to any acts or omissions of such director occurring prior to such amendment or repeal.

Section 8.01 of the Company's Bylaws provides that the Company shall indemnify its officers and directors under such circumstances and to the extent permitted by Section 302A.521, as now enacted or as hereafter amended.

The Company maintains directors' and officers' liability insurance which covers certain liabilities and expenses of its directors and officers and covers the Company for reimbursement of payments to its directors and officers in respect of such liabilities and expenses.

Item 9. Undertakings.

A. Post-Effective Amendments.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(a) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(b) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which is registered) and deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(c) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i) and (ii) above will not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. Subsequent Documents Incorporated by Reference.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Claims for Indemnification.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or other controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

To Whom it May Concern:

I am a member of the bar of the State of Minnesota and Vice President, General Counsel and Secretary of Graco Inc. (the “Company”). I have examined the Registration Statement on Form S-8 (the “Registration Statement”) that is being filed by the Company with the Securities and Exchange Commission (the “SEC”) in connection with the registration under the Securities Act of 1933, as amended, of 5,100,000 shares of Common Stock, \$1.00 par value, of the Company, to be issued to employees, officers and non-employee directors of the Company pursuant to the Graco Inc. 2010 Stock Incentive Plan (the “Plan”).

I have examined such documents and have reviewed such questions of law as I have considered necessary and appropriate for the purposes of this opinion. I am of the opinion that when the shares of Common Stock have been issued pursuant to the Plan, the shares will be duly authorized, validly issued, fully paid and nonassessable, provided (i) the value received by the Company is at least equal to the par value of the shares of Common Stock and (ii) the Registration Statement shall have become effective under the Securities Act of 1933, as amended.

I consent to the use of this opinion as an exhibit to the Registration Statement.

Very truly yours,

/s/ Karen P. Gallivan
