

Investor Presentation 2009 & 1st Quarter 2010 Results

Safe Harbor

Today's presentation includes forward-looking statements that reflect management's current expectations about the Company's future business and financial performance.

These statements are subject to certain risks and uncertainties that could cause actual results to differ from anticipated results.

Factors that could cause actual results to differ from anticipated results are identified in Part 1, Item 1A of, and Exhibit 99 to, the Company's 2009 Form 10-K.

Business Overview

З

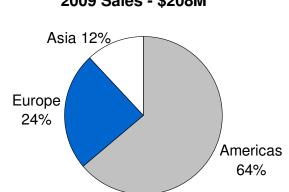

- Graco manufactures equipment to pump, meter, mix and dispense a wide variety of fluids
 - We specialize in difficult to handle materials with high viscosities, and
 - Abrasive or corrosive properties, and
 - Multiple component materials that require precise ratio control
- We are global, with more than 40% of our sales coming from outside the Americas
- We sell primarily through independent 3rd party distributors approximately 30,000 outlets worldwide
- Parts and accessories account for approximately 40% of our annual revenue

Contractor Equipment

Market Dynamics

- Graco served market is approximately \$450 \$500M
- Major end-markets include new residential construction, commercial construction, remodel and repaint
- Applications include painting, texture, fine finish, cleaning, and pavement maintenance
- Channel includes paint retailers, equipment houses and rental centers
- Wagner is the most significant worldwide competitor

2009 Sales - \$208M

2010 Contractor Equipment Product Line

PROVEN QUALITY. LEADING TECHNOLOGY.

Contractor Equipment

Growth Opportunities

- Conversion of end users from manual application methods to equipment is a major focus outside North America
 - In Europe and Asia, spray equipment penetration is less than 40% in developed countries and less than 10% in developing countries
- Application of texture and cementitious materials
- Entry level product & channel expansion
- Expanding pavement maintenance product line & channel

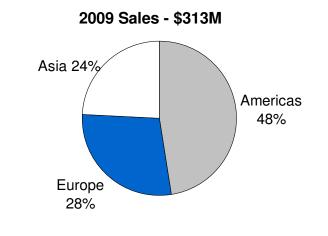

Industrial Equipment

Market Dynamics

- Graco served market is approximately \$2.0B worldwide
 - Liquid Finishing and Process Equipment \$900M
 - Sealant and Adhesive \$600M
 - Protective Coatings, Foam and In-Plant Polyurethane \$500M
- Products sold through independent 3rd party value adding distributors
- End users require equipment "solutions" vs. product in a box
- End user purchases are ROI driven
- Likelihood of new entrants low in certain markets, rational competitors including ITW, Exel, Idex, IR, Dover and Wagner
- Strong Graco brand name and large installed base

PROVEN QUALITY. LEADING TECHNOLOGY.

Industrial Equipment

Growth Opportunities

- Expand internationally
 - Industrialization and wage inflation in developing markets
 - Factory relocations to low-cost geographies
- Enter new adjacent markets
 - Sanitary
 - Composites
 - Alternative energy
- Capitalize on material changes
 - High performance multiple component materials
 - Low or no VOC coatings
 - "Green" initiatives
- Develop new products
 - Integration of equipment with factory data and control systems
 - Reduce energy consumption
 - Expand offering and fill gaps
- Acquisitions

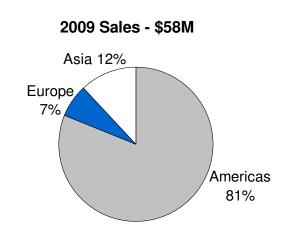

Lubrication Equipment

Market Dynamics

- Worldwide Lubrication Equipment market is approximately \$1.1B worldwide
 - Vehicle Service Equipment \$400M
 - Industrial Lubrication Equipment \$700M
- Products sold through independent 3rd party distributors, through oil jobbers and direct to OEM's
- Entrenched, stable competition in each market segment
- Major competitors include Lincoln, Vogel, BEKA, Samoa

Lubrication Equipment

Growth Opportunities

- Expand internationally
 - Historical investment and focus has been U.S.
 - Implemented specialized selling organization in Europe in 2009
 - Developing products to meet local market needs
 - Building channel
- Industrial lubrication market
 - Entered via small acquisitions
 - Expanding product offering and improving cost position

Targeting Growth with New Products

- Invested nearly \$38M in product development in 2009
 - 6.5% of revenue
- Targeting 30% of sales from products developed in the last 3 years
 2009 was 26%
- Increased emphasis on expanding product offering into new markets

New Product Example: Graco HFR™ Metering System

- Versatile, precision-controlled, fixed ratio meter, mix and dispense system
 - Handles a variety of twocomponent materials
 - Polyurethane foams, polyurethane elastomers, epoxies, silicones and polyureas

Markets Served

 Automotive, construction, recreation, solar, medical, electronics, refrigeration and more

New Product Example: Diaphragm Pumps

- 30% more energy efficient than leading competitors
- 20% increase in fluid flow compared to current offering
- Expanded line for a wider range of applications/chemicals

Markets Served

 Process and General Industry

<u>New Product Example:</u> ProShot[™] Cordless Sprayer

 Breakthrough technology delivers professional airless quality spray in a hand held cordless tool

Markets Served

 Professional Painting Contractor worldwide

Targeting Growth Through Global Expansion

- Added 1370 distribution outlets in 2009
 - 350 in Europe, 200 in Asia/Latin America

GRA

Targeting Growth through Channel Expansion

- Expanded entry level spray equipment channel
 - Entry level product stocked in more than 5,000 U.S. retail locations

PROVEN QUALITY. LEADING TECHNOLOGY.

Targeting Growth in New Markets

- Pavement Maintenance
- Alternative Energy
- Composites
- Industrial Lubrication
- Sanitary

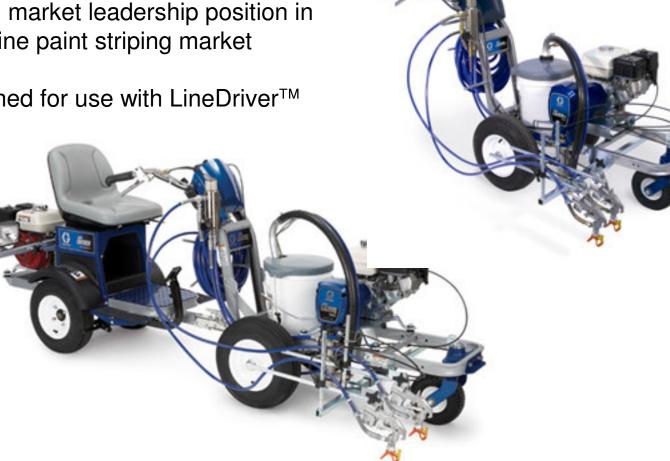

Example: Existing Market – Line Striping - Paint

<u>LineLazer</u>™

- Global market leadership position in short line paint striping market
- Designed for use with LineDriver[™]

Example: New Market – Line Striping - Thermoplastic

<u>ThermoLazer</u>™

- 100% incremental launched 2H 2009
- Leverages existing LineDriver[™] platform

Example: New Market - Line Removal

<u>GrindLazer</u>™

- 100% incremental launched Q1 2010
- Leverages existing LineDriver[™] platform

Graco Manufacturing

- Aligned with divisions, co-located with product development to speed new product development and improve initial launch cost and quality
- Measured on annual cost change and expected to achieve zero or better yearto-year total cost change
 - Graco has been on the Lean journey for 20 years
 - Our approach is focused on total cost, not inventory turns
- Cost-To-Produce is a unique tool Graco has developed to measure progress on cost reduction
- Primarily U.S. based, with strategic capabilities in Europe and Asia
 - Sourcing is global

Financial Summary

PROVEN QUALITY. LEADING TECHNOLOGY.

First Quarter 2010 Results

- Sales for the quarter up 19 percent from first quarter last year and up 13 percent compared to fourth quarter last year
- Sales were up in all segments; regionally, sales were up in the Americans and Europe, and up significantly in Asia Pacific
- First quarter gross profit margin of 54 percent was above last year as production increased as well as cost reduction actions and cost of severance in 2009
- Operating expenses were down 3 percent due to effects of cost and workforce reductions, partially offset by increases related to volume
- Backlogs increased \$6M from the end of prior quarter
- Net earnings were seven times first quarter last year and diluted EPS was 34 cents

Financial Results – 1st Quarter

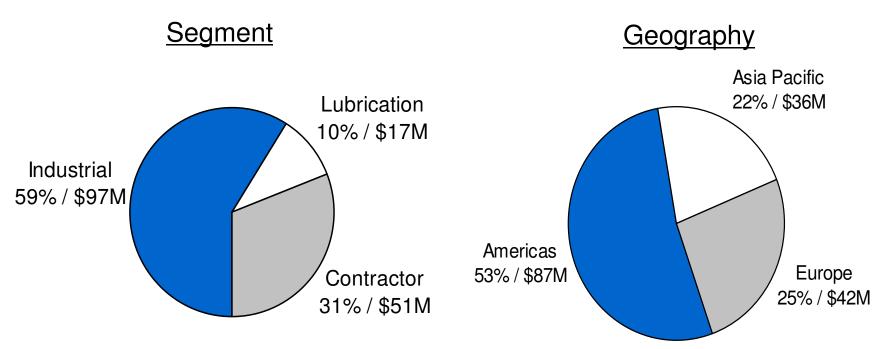

| (\$ Millions except EPS) | 2010 | | 2009 | Change | |
|--------------------------|-------------|----|-------|--------|--|
| Sales | \$ 164.7 | \$ | 137.9 | 19% | |
| Gross Profit Rate | 54.2% | | 46.7% | | |
| Operating Expenses | 56.6 | | 58.2 | (3%) | |
